Purly

March 2008 Monthly Shoot

Even though the weatherman had been predicting a Toad-Strangler for the day of the shoot, twenty-three cowboys made their way to Mystery Dog Ranch for the Marauders monthly shoot. The rain held off for the Pledge, Prayer and Safety Briefing. We got Posse assignments and then decided since there were only 23 shooters, we would hit the stages as one big posse.

Well, we finished the first stage, then there was a huge, bright flash, then a tremendous BOOM. We all thought it was ORACLE clearing the barrel of his confetti sprayin' 12 gauge.

The posse took a real quick vote, and decided to pack it in. Any Cowboy who came to the March Shoot will be able to shoot at no charge for the April match.

WORK DAY !!

**Even though it rained all day,
we managed to get some work
done at the range. Thanks to
all who came and chipped in with
the work.**

GUNS&STUFF

Not many of you may know, but the TMM was organized and shot our first shoots at the gun range of Guns & Stuff, gun store in Whitwell. Marty and Robert Zeorb were two of the founding members of the TMM. They gave our club a place to shoot for no charge as the club began to grow. Robert is a life member with a badge no 5386 or thereabouts. I don't remember exactly, but the fact is they have been SASS and TMM for a long time. After visiting with them last week I realized what a mistake we have made by not keeping them informed on our activities. They are still interested in the club. They also have a very good supply of western arms and reloading supplies. Don't forget them for your next firearm needs. You may call at 423-942-3844.

- Trailbones

The March Shoot was called a 'No Shoot' after the first Stage. No one wanted to risk getting lightning struck out there in the field!!!
All Shooters present at the March Shoot will shoot NO-CHARGE in April.
