Trophy Buckles are up for grabs again for the 2007-2008 Buffalo Shoots! This time, however, the competition runs from July to November of 2008. Lots of time to get in on the action! For more information contact Double Barrel!

Notes from the Meeting:

Meeting on 7/17/07

Meeting called to order: Thursday, 19 July 2007 (6:31 PM) at Wally's in East Ridge Prayer Pledge

Officer's Reports

Executive Officer - Range work day had a low turn out, but a lot was accomplished. The birthday party for GA Joe also went well. We still need work done on just about every stage, particularly the flooring at the older stages. Also, "Splinter" needs a refurbishing, as does

our old wagon. Everyone is welcome to come up with a stage design idea. Need extra help Saturday morning to help set up the canopies and water jugs.

Range Marshal - Targets are in need of reconditioning. They have been left out in the weather and it is starting to take its toll. We need to revisit the idea of building storage sheds at each stage to store the targets between shoots to reduce setup and tear down time.

Treasurer - Reported expenditures, deposits and new total in account.

Unfinished Business

Our night time black-powder shoot is still scheduled for Friday evening, 19 October, the night before our October shoot. No new information for the Cops/Cowboys shoot as no one is here from the committee. Range maintenance was discussed with a follow-up for next month's meeting to see if we can have someone cut the range the Thursday/Friday before the match. A couple of members are looking into the availability. There was a discussing about getting some more of the tripod target stands to replace our freestanding target stands. We will have a report out at our next meeting about cost.

New Business

The proposed Western Expansion division was presented and discussed. It will be shot this Saturday by some people to try it out and make adjustments. Members were reminded to be thinking about club officers for 2008. October meeting will accept nominations, we will vote at November shoot and new officers will be announced at the December meeting. Christmas Party was discussed at length. Motion was made to divert energies to our annual "Thanksgiving Shoot" as the premiere shoot for the club with just a regular shoot in December. There was much discussion and the motion was tabled for further discussion next month.

REMINDERS: Money Tips From The Treasurer: When writing checks to the TMM, don't write "cash" on the check.

Please write it out to TMM/George Morgan to be sure it goes into the correct account.

Range Business: As always, we need more volunteers to help set up the range. Contact Josey and he'll direct you to a job that needs to be done, and Josey will coordinate with Shawnee about particulars.

Other ongoing jobs: We need to continue working to get the fence row cleared out and we've got a man assigned to fix the door on the target shed.

New Range Business: We're having a bit of a "contest" in terms of Stage Fronts. Design one and we'll name it after you!! If we get more submissions than we've got room for, we'll pick out the ones that will best serve the club.

Until next time,

Cherokee Maddog
President
