June 08 Monthly Shoot...

Man, did my TTN Hammer Double get hot after passing about a pound of the Holy Black thru them pipes. Ricochet Richard says he won't run the timer for me under that roof again. I think his ears are still ringing. Hope to see you there again next month.

General Maintenance At The Ranch

If you have any spare time during the weekend or are looking for something to do after dinner in the evenings, come down to the range and lend a hand. There is always something that needs a little TLC or your personal touch. Even if it is only for a few minutes. We would request that you contact one of the Club Officers listed on the back page of this newsletter before going onto the range. Just remember, if the gate is closed, CLOSE it when you pass through. If it is open, leave it OPEN. Bring your gloves and a hammer or shovel.

June 08 Monthly Shoot

Forty Cowboys and Cowgirls made the trip down to Mystery Dog Ranch for the June 2008 shoot-out. Welcome to the out of towners who braved the dusty trails to come all the way from Atlanta and points beyond. We hope you had a pleasant time at the ranch. The new Stage 5 building was christened with an eight round shotgun string in the scenario.

New Building on stage 5

Thanks again for all the help we had on the construction of the newest stage at MDR. The stage construction is pretty much on track for the year, but I don't think we will be starting the next one 'til after the weather breaks. Sunburned scalps and blistered arms are just now getting healed.

It's Your Club!!!

As far as the meetings go, we schedule them just after the shoot. It still seems to be a burden on some members to attend. Out of 40 members, about 15 to 20 come to a shoot, and then only 5 or 6 stay for the meeting (and the clean-up chores). I know a lot of cowboys just pay their dues so they can get a discount on the monthly fee, but they also need to participate in the other club functions. We need the support of the membership at the meetings. Without the members there to chime in with their opinions and views, the direction the Club takes on important issues can become skewed.

Articles Needed

If you have any articles or editorial pieces you would like to place in the newsletter, send them to ga_joe@charter.net

Newsletter Change...

The Date on the newsletter has been bumped to show the current month, not the earlier date. We usually get the newsletter out during the first week of the month.

It's JULY....

Have you paid your 2008 dues yet?

Wild Bunch Category

The July match will include the "Wild Bunch" category. If you are not familiar with this, our resident Wild Bunch Guru, Ricochet Richard has laid out the rules and procedures on the web. We will closely follow the SASS stage procedures and rules for Wild Bunch Category. If you want further information contact Ricochet Richard at ricochetrichard@comcast.net.
