**100 Yard Buffalo Shoot Trophy Buckle
200 Yard Buffalo Shoot Trophy Buckle**

Trophy Buckles are up for grabs again for the 2007-2008 Buffalo Shoots! This time, however, the competition runs from July 2007 to November of 2008. Lots of time to get in on the action! For more information contact Double Barrel!

Notes from the Meeting:

8/16/07

Meeting called to order by V.P. Double Barrel at Wally's in East Ridge - Prayer - Pledge conducted. There were ten members present and the Treasury Report was read and accepted.

The construction of a Lowe's Stage-Front has been cancelled. Lowe's has a new manager and the plans that were discussed with the old manager were not followed through.

Our night time black-powder shoot is still scheduled for Friday evening, 19 October, the night before our October shoot. Time to be determined ASAP.

Ideas for building fronts and stages are being accepted. Be the first to design a stage and we'll name it after you!!! If we get more submissions than we've got room for, we'll pick out the ones that will best serve the club.

Christmas Party: After much discussion the TMM will not have a Christmas Banquet, but will still have our FREE-for-Members Christmas Team Shoot. The Year End awards will be handed out at lunch time. As far as lunch goes, we have a choice: 1) go somewhere after the shoot to have lunch & hand out 2007 awards i.e. Golden Corral, etc; 2) have someone (other than Ms. Dixie) cater lunch; 3) Ms. Dixie said she would offer a Ribeye Steak Dinner, Baked Potatoes with fixings, Salad, Garlic Bread, Peach Cobbler and Tea at \$12/person, BUT reservations are required. PLEASE PLACE YOUR VOTE for the December lunch at the September Shoot!

[Officer's Reports](#)

Executive Officer - Josey suggested that the club build more benches for lunch time Also, "Splinter" needs a refurbishing, as does our old wagon. We always need extra help SHOOT mornings to help set up the canopies and water jugs!

Range Marshal - Targets are in need of reconditioning. They have been left out in the weather and it is starting to take its toll. We need to revisit the idea of building storage sheds at each stage to store the targets between shoots to reduce setup and tear down time.

OLD BUSINESS

Members were reminded to be thinking about club officers for 2008. October meeting will accept nominations, we will vote at November shoot and new officers will be announced at the December meeting. Christmas Party was discussed at length. Motion was made to divert energies to our annual "Thanksgiving Shoot" as the premiere shoot for the club with just a regular shoot in December. There was much discussion and the motion was tabled for further discussion next month.

REMINDERS: Money Tips From The Treasurer: When writing checks to the TMM, don't write "cash" on the check. Please write it out to TMM/George Morgan to be sure it goes into the correct account.

Other ongoing jobs: We need to continue working to get the fence row cleared out and we've got a man assigned to fix the door on the target shed.

Secretary**
